CHARTER FOR \$5,000,000 ROAD

Asked for by Branch of the Grand Trunk System in Rhode
Island—Will Not Touch This State.

Because of the rumor that was cir-
culated a number of weeks ago, that
efforts were being made to get the
rights for the building of a railroad
across the northeast corner of Connecti-
cut by the Grand Trunk system, there
was some surprise when it was an-
nounced on Wednesday, as stated on
page two, that a charter is to be asked
for such a road in Rhode Island, but
which will not touch Connecticut.

The decision is the outcome of sev-
eral months of very careful investi-
gation. It is stated that as nearly as can
be ascertained, the proposed road would
cost of construction in Rhode Island
will be over \$5,000,000, and that sum
will be spent in the next two years.
The aim in building this road is to
give the Grand Trunk system an out-
let at Providence, and by so doing the
plan which New London has had of
late of securing the terminal of the
road there would seem to be blasted,
should this road go through. Behind
the movement are President Hays and
General MacArthur, Pittsburgh of the
Grand Trunk road.

SOCIETY CONCURS WITH SECOND CHURCH VOTE Call Will Be Extended to Rev. H. J. Wyckoff of New Haven.

On Wednesday evening there was a
meeting of the society of the Second

Palmer, with the action of the church in
extending a unanimous call to Rev. Her-
bert J. Wyckoff of New Haven to be-
come pastor of the church. The society
committee, H. F. Palmer, Dwight
L. Allen and C. Arthur Lathrop were
authorized to act with the church com-
mittee in extending the former's call.
After other matters connected
with the calling of Rev. Mr. Wyckoff.
The meeting which was held in the
room over the library was a short
one and was followed by a brief ses-
sion of the society committee. Rev.
Mr. Wyckoff is to be here and will
preach at the church on Sunday.

UNABLE TO LOCATE MRS. MITCHELL'S BODY Search Was Continued on Wednesday Without Result—Formerly Lived in New London.

The search for the body of Mrs. Eu-
gene Mitchell, who was drowned at
Montville on Tuesday night, was con-
tinued on Wednesday, but no trace of
the body was found. More details of
her being there at that time were
learned, however, and according to her
mother, Mrs. Lucetta Platt, widow of
Holly Platt of New London, Mrs. Mit-
chell was on the way to join her hus-
band, going there from New City.
The New London police were told by
Mrs. Platt that her daughter was mar-
ried 15 years and that she was ob-
liged to go to work to earn a living.
Mitchell was at work off and on
at the mill being erected in Uncasville. His
wife had decided to go back to live
with him again and was on her way to
join him. Mitchell was not on hand to
meet her, because she had to rely on
the company of Davis, the watchman,
to assist her over the trestle.

HEALTH CONFERENCE.

Nearly One Hundred Town and County
Officers at New Haven on Wednes-
day.

There were nearly one hundred town
and county health officers at the fifth
sanitary conference of the health offi-
cers of the state held in Lamson hall,
New Haven, Wednesday to discuss the
problem of the milk supply in this
state. The question was considered
from the standpoint of the state lac-
tologist, the dairy and cattle com-
missioners, the county and city health
officers and the dairymen.

The first speaker was Prof. H. W.
Cott of the state bacteriological labo-
ratory, who said that figures proved
that in New York each year there
were over 4,000 deaths caused by im-
pure milk of children under five. He
touched upon the dangers from germs
of tuberculosis, typhoid and scarlet
fever borne by milk.

Among those present were G. M.
Miner, Waterford; G. H. Jennings,
Jewett City; F. J. Pontane, Baltic; C.
F. Congdon, Mystic; E. R. Champion,
Old Lyme.

OBITUARY.

S. Denison Reynolds.

The death of S. Denison Reynolds
occurred at his home in Montville
2:15 o'clock Wednesday afternoon, after
having been in feeble health for the
past year and a half, although he had
been confined to his bed but a few
days.

Mr. Reynolds was in his 81st year
and for many years has been a resi-
dent of Montville. He was always a
farmer and held in high regard. He
has resided at the Reynolds homestead
for over forty years. He was a mem-
ber of the Baptist church of Montville
and was a staunch democrat.

He is survived by one son, William
Reynolds, formerly of Norwich, but
who now lives in Ohio and leaves two
brothers, Daniel of Bridgeport, Frank
of Montville and Albert of New Lon-
don. He also leaves two sisters, Miss
Mary Reynolds, who lives at home,
and Mrs. Stephen Clifford of Salem, for-
merly of Norwich.

Electrical Workers.
Local No. 24, I. E. W., held its
regular meeting Wednesday evening in
Carpenters' hall, President Justin
Leonard in the chair. The electrical
workers have nominated their officers
and expect to elect them at the next
meeting. There was only routine busi-
ness Wednesday night.

Invited to Return.
At the fourth quarterly conference
of the Trinity Methodist Episcopal
church on Tuesday evening, Rev. Dr.
M. S. Kaufman, by the formal vote
of those present, was invited to re-
turn as pastor of the church, which
stood 8 to 7 in his favor. After the
session his decision not to return was
announced but not to the conference.

Engagement Announced.
At a whist party given by Dr. and
Mrs. G. A. Comau on Wednesday
evening the engagement was announc-
ed of Miss Flora Richards and Adolphe
Lamothe of this city.

Additional local on page Eleven.

The result of this petition will be
looked for with much interest in this
end of Connecticut, inasmuch as the
Central Vermont road is now carrying
the Grand Trunk business in this sec-
tion and there have been statements
at different times which have indicated
the double tracking of this line to ac-
commodate an increased business
which it was contemplated doing.
Should New London become a terminal
of the Grand Trunk, with ocean liners
running therefrom. The new road
would doubtless affect to some extent
the business now being carried over
the Central Vermont, although to what
degree is not known. The new idea
for the routing of the branch evidently
seems more practical or more likely
to be secured than that through north-
eastern Connecticut, although it is un-
derstood that the route crosses the New
Haven lines three times between Pal-
mer and Providence.

The effect it will have upon the Cen-
tral Vermont road south of Palmer is
what interests the residents of Connecti-
cut, particularly in this section, to
whom hopes of a new double track
have loomed up big whenever spoken of.

UNITED WORKMEN INSTALL OFFICERS Lodge Visited by State Officers at Open Meeting.

Norwich lodge, No. 12, A. O. U. W.,
had a well attended meeting Wed-
nesday evening in Germania hall and
had for visitors Grand Recorder
George Stroh of New Haven and Su-
pervisor Charles W. Pitkin of Tal-
coteville. The retiring past master

at the opening of the meeting, and

member initiated.

The officers for the new term were
installed by Supervisor Pitkin, assisted
by Grand Recorder Stroh as grand
guide and P. M. W. Charles P. Wil-
son of Taffville as G. P. M. W. The
following were those placed in office:

land; overseer, Charles Levitsky; re-
corder, James W. Blackburn; receiver,

liam Hamman; O. W. John Hollings-

interesting manner, and the remarks
of the visiting officers afterwards,
when cigars were passed and a social
hour enjoyed, gave the members a
pleasing idea of the state of the order

pected in which a membership gain

NO HOPPLES SHALL BE USED ON PACING HORSES Decision Adopted at Meeting of Na- tional Trotting Association.

New York, Feb. 9.—Beginning with
the season of 1915, no hopples shall
be used on pacing horses and up to
that time the device is to be gradually
abolished. This decision was adopted
by the twenty-fifth congress of the
National Trotting association at a
meeting in New York today.

"Hopples" says a new rule, "shall
not be used in races or performances
against time on two year olds, or under
in 1910 year olds or three year olds or
under in 1911; on four year olds or
under in 1912; on five year olds or
under in 1913; on six year olds or under
in 1914; after which time hopples shall
be abolished."

No action was taken by the associa-
tion on the request from the stew-
ards of the Grand circuit that horses
shall be eligible to start on half-mile
tracks in classes four seconds slower
than on mile track records. It was
decided that trotting associations in
Ohio might join either the national as-
sociation or the American association,
as they desired.

Section I of the rule four, was
amended as follows:
"In all purses five entries are re-
quired, and two to start, unless otherwise
specified."

The old rule required three entries
and two to start. It was also decided
that "if only one of the horses entered
for a purse shall appear on the course,
he shall be entitled to his own en-
trance money and to one-half of the
entrance money received from the other
entries for said purse."

Representatives of three hundred and
eighty-one tracks that are interested
in trotting horses on the Grand cir-
cuit attended today's meeting. Presi-
dent P. P. Johnston of Lexington,
Ky., presided.

Johnson was re-elected as president
and the association adjourned until
its next biennial session in 1912.
